**PETITION FOR ACCEPTANCE OF COLOR PHOTOGRAPHS PURSUANT TO 37
C.F.R. 1.84(a)(2) and 1.84(b)(2)**

Dear Sir:

Applicant hereby petitions that the enclosed three color photographs, Figs. 8-10, be accepted by the Patent Office in the prosecution of this patent application and in the publication of the patent issued therefrom. In support hereof, Applicant states that the color drawings consist of the following:

Figure 8 depicts methylene blue which has been iontophoretically administered into the sebaceous glands and/or infundibulum of an individual.

Figure 9 depicts light microscopy of blue staining of the epidermis, sebaceous glands and hair follicles.

Figure 10 is a color photograph depicts light microscopy of blue staining of the epidermis, sebaceous glands and hair follicles.

Applicant submits that color photographs are the only practicable medium for illustrating the claimed invention of targeting sebaceous follicles, as shown by the blue staining in these photographs. The color photographs are necessary in the prosecution and understanding of this application, as the subject staining cannot be fully shown in black and white photographs. Applicant further states that the color photographs submitted are of sufficient quality so that all details in the drawings are reproducible in the printed patent.

In further support hereof, Applicant has filed herewith:

- (i) The fee set forth in §1.17(h);
- (ii) Three (3) sets of the color photographs; and
- (iii) An amendment to the specification to have the required language set forth in 1.84(a)(2) inserted into the brief description of the drawings section of the application.

CONCLUSION

In view of the above, Applicant submits that the color photographs filed as Figs. 8-10 are necessary to the understanding and prosecution of this application, and respectfully requests their acceptance herein.

The enclosed check includes the amount of \$130.00 to cover the petition fee set forth in 37 CFR §1.17(h), and the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 141449, under Order No. 101537-38.

Dated: February 2, 2007
